PART A – COMPETITION FORMAT

1. The Annual Competition

- a. The Annual Competition (the Competition) is played in two Divisions; Division A and Division B.
- b. In 2021, Division A consists of teams from Hawkes Bay, Manawatu, Wairarapa-Bush and Wellington. Division B is divided into two Pools¹: Pool B1 and Pool B2. Pool B1 consists of teams from East Coast, Whanganui and Wellington Development and Pool B2 consists of teams from Horowhenua-Kapiti, Hawkes Bay Development and Poverty Bay.
- c. The Competition is played as a four-day-tournament (the Tournament), with the first round of fixtures played on the weekend, pre-Tournament. During the Tournament itself, games are played on a Monday, Tuesday and Thursday.

2. Division A Draw

- a. The draw for Division A is based on the final rankings from the previous year's Competition, with reference to the following points.
- b. For games scheduled on the weekend prior to the Tournament, fixtures will be between the two closest geographic teams, played at a neutral venue: e.g. Hawkes Bay Development vs Poverty Bay @ Wairoa; and Manawatu vs Wellington @ Otaki.
- c. For games scheduled on the Monday of the Tournament, the highest ranked team from the prior year's Tournament vs the lowest (or next lowest²) ranked team, from the prior year's Tournament. The other two teams play each other.
- d. For games scheduled on the Tuesday of the Tournament, match opponents will be those required to complete the Round Robin section of the Tournament (i.e. the teams that have not already played each other).
- e. For games scheduled on the Thursday of the Tournament, the Grand Final will be played between the 1st and 2nd ranked teams following the completion of the Round Robin section of the Tournament, with the Consolation Final played between the 3rd and 4th ranked teams.

3. Division B Draw

- a. The three teams in each Pool play a series of Round-Robin games and then play a Pool-Cross-Over game.

¹ Other than in the first year of competition, Clause 3 (b) supersedes this clause.

² In the event that the highest ranked vs lowest ranked team is played pre-Tournament.

UNDER 16 PROVINCIAL RUGBY

- b. The composition of each Pool is determined on the seedings from the previous year's Competition, excluding the Development Teams, which are ranked 5 and 6 respectively, each year³. Teams seeded 1, 3 and 5 play in Pool B1 and teams seeded 2, 4 and 6 play in Pool B2.
 - c. As with Division A, pre-Tournament Round-Robin fixtures are played on the weekend prior to the start of the Tournament (i.e. eight or nine days before the start of the Tournament). The teams drawn to play pre-Tournament fixtures are determined on the basis of the two closest Provincial Unions in the same Pool.
 - d. For example, if Whanganui, Horowhenua-Kapiti and East Coast are all in the same Pool, then Whanganui and Horowhenua-Kapiti will be drawn to play a pre-Tournament fixture. Similarly if East Coast, Poverty Bay and Wairarapa Bush are in the same Pool, then East Coast and Poverty Bay will be drawn to play a pre-Tournament fixture.
 - e. The designation of which Provincial Union hosts the pre-Tournament fixture is based on the reverse of who previously hosted the fixture when these last two teams meet. (For example, if Whanganui played Wellington Development in Wellington in the previous year, then in the following year, Wellington Development travels to Whanganui).
 - f. For games scheduled on the Monday of the Tournament, within each Pool, the teams that were not involved in the pre-Tournament fixture are to play the highest ranked teams that did play in the pre-Tournament fixture. The two teams that have a bye are to be drawn to play a non-competition/friendly game.
 - g. For games scheduled on the Tuesday of the Tournament, within each Pool, the teams that were not involved in the pre-Tournament fixture are to play the other remaining team in their Pool. The two teams that have a bye are to be drawn to play a non-competition/friendly game.
 - h. For games scheduled on the Thursday of the Tournament, the teams ranked first in each Pool are to play each other, the teams ranked second in each Pool are to play each other and the teams ranked third are to play each other.
4. Competition Points
- a. Teams will gain the following amount of Competition Points in each fixture:
 - 4 points for a win;
 - 2 points for a draw;
 - 1 point for a loss by 7 or less; and
 - 1 point for scoring 4 or more tries.

³ The higher ranked of the two teams at the end of the Tournament is ranked 5, the following year.

UNDER 16 PROVINCIAL RUGBY

- b. The winner of each Division or Pool is the team with the most Competition Points; the runner-up in each Division or Pool is the team with the second highest amount of Competition Points; the third place team is the team with the third highest amount of Competition Points and the fourth placed team is the team gaining the least Competition Points.
 - c. If at the end of the Competition teams are tied, placings are to be determined using the following criteria:
 - the Winner is the team that beat the other team when they played their Round-Robin fixture; or
 - if they drew, then the Winner is the team with the highest points differential in the competition (i.e. the team with greatest positive difference between Points For and Points Against); or
 - if still tied, the Winner is the team that scored the most tries in the Competition; or
 - if still tied, then the Winner is to be decided by toss of the coin.
5. Hosting
- a. Provincial Unions will host the Tournament, as follows.
 - 2016 Manawatu
 - 2017 Whanganui
 - 2018 Wairarapa-Bush
 - 2019 Poverty Bay
 - 2020 No Competition
 - 2021 East Coast
 - 2022 Wellington
 - 2023 Hawkes Bay
 - 2024 Horowhenua-Kapiti
 - b. From 2024 onward, the order as above will be repeated (unless otherwise agreed by the Council's Executive Board).
6. Promotion Relegation
- a. Any team in Division B (except Wellington Development and Hawkes Bay Development) has the right to challenge the loser of Division A, before the following year's Tournament for the right to be in Division A.
 - b. The Challenge Game is to be played at a venue named by the Division A team.
 - c. The challenge must be in writing and forwarded to the Division A team's Provincial Union (and for information to the Competition Administrators), no later than 1 April of the year in which the Competition is to be played.

7. Player Eligibility

- a. In order to play in the Competition, players must be under 16 as 1 January of the year of the Competition; and be a registered player in the Union the player was selected for, or a bona fide resident of the Union selected for.

8. Squad Size/Player Numbers

- a. Subject to clause 10. d. below, the number of players in each team is to be 22 for each game. The usual NZRU Domestic Law variations associated with the requirement for a minimum of five front row players for each game and the rules for player replacements are to apply.
- b. For the Tournament a maximum squad size of 24 players can be designated to compete. In this case, 22 of these players must be named for any Tournament Fixture, to meet the requirements of 10. b. below.

9. Replacement of Players

- a. As this is a Round-Robin Competition, different players can play in each of the Competition rounds. But the players must come from the squad of up to 24 players designated by each Provincial Union for the Tournament.
- b. In accordance with New Zealand Rugby's 2014 Teenage, Small Blacks & Rugby Laws Update, for each Tournament Fixture, all non-starting players (other than those who permanently replaced injured players in the first half of the match), must take the field from half-time.
- c. New Zealand Rugby's 2014 Teenage, Small Blacks & Rugby Laws Update supersedes the ability of a team to make tactical substitutions during a Tournament Fixture, given all players must play at least half a game.
- d. This means that other than at half-time, player replacements can only be made in the event of an injury (Laws 3.7, 3.10, 3.12), or due to Foul Play (Law 3.13).
- e. A team may field less than 22 players where, in the interests of player safety, an injury prevents a player from any further participation in the Tournament and there are no other replacement players.
- f. In this case, the Team Manager will be required to provide a written and signed Declaration to the PU Administrator, before the Tournament Fixture commences, providing the details of the player and the nature of the injury.
- g. In the case of Serious Injury (where a Serious Injury Report has been submitted to the Competition Administrators, signed by a Registered Medical Practitioner), the injured player may be replaced.

UNDER 16 PROVINCIAL RUGBY

-
- h. In the event of g. above, where a Provincial Union has teams in Division A and Division B, the replacement player for the Division A team must be selected from the Division B team, with the Division B team then eligible (but not obliged) to add a replacement player.
 - i. In all other respects (and subject to the above), the Laws of the Game (sp. Law 3) relating to the substitution and replacement of players shall apply.

10. Jersey Numbers

- a. Players must play in the numbered jersey recorded on the official Team Sheet.

3. Statement On Conditions Of Entry

- a. Provincial Unions will undertake that all participating players in the Competition (or their parents) receive the following Conditions of Entry.

The Hurricanes YRC acknowledges that the playing of Rugby Union carries with it some risks of injury. Some of those are inherent in the nature of rugby as a contact sport. There are some risk management actions that the Hurricanes YRC can manage such as the quality of refereeing, the standard of coaching, the education of players around correct technique, the standard of the grounds and information to players about physical preparation before taking the field. There are others that we do not control such as the laws of the game and the personal approach of players towards playing the game. Our vision is to oversee a game that everyone can play safely and to do everything we can to allow those who participate in our competitions and tournaments to be safe. For your part, we understand that your Provincial Union has discussed these factors with you, and you agree to participate on this basis.

4. Proof of Age/Eligibility

- a. To confirm that teams only play Eligible Players, the following procedures apply.
 - (1) Team Managers are to ensure all players complete a Hurricanes YRC Player Registration Form.

 - (3) This Player Registration Form is to be retained by the Team Manager and made available to the PU Administrator on request.
 - (4) Team Managers are to submit no later than two working days before the first Competition game a Hurricanes YRC Competition Declaration of Age Schedule detailing the full names of their players, birth date and NZRU Player ID number to the Council Administrator.
 - (5) The information on the Schedule should be taken directly off the Player Registration Form. The Schedule is to be signed by the Team Manager and a Provincial Union Official.
 - (6) Team Managers are to retain copies of the source document and be prepared to submit them to the PU Administrator on request. Suitable evidence of eligibility would be a Birth Certificate, Driver's License, or Passport.
